

Name _____

Look at the Web page. Follow the directions.

1. Circle the address of the Web page.

2. Write the title of the Web page.

3. Draw a box around the button you click to print the page.

4. Draw an X over the button you click to learn how to cook a turkey.

5. Write how you could find out about the first Thanksgiving.

Home Activity Your child learned how to read a Web page. Ask your child to describe the parts of a Web page or use a computer together to view an appropriate Web page. Ask your child to find the Web page address and page title. Ask what the Web page is about.
